THE CHEST WEIGHT THE WHITELY EXERCISER

Is the best of all exercises. Growing children are inclined to stoop, and should use the Chest Weight or Whitely Exerciser a few minutes night and morn.

Adults will find it a capital exercise for developing the BUST, ARMS, BACK and ABDOMINAL MUSCLES, and best of all, will make the form ERECT.

BOXING GLOVES,

PUNCHING BAGS,

ROWING MACHINES,

AND VARIOUS OTHER EXERCISERS IN OUR GYMNASIUM DEPARTMENT.

The Morrill and Lajoie Base Ball Bats

are on sale at Wright & Ditson's, and this year's stock is far superior to any bats ever offered for sale.

AND SHOES

Athletes, Attention! In order to excel in the different branches of Athletics it is absolutely necessary that nothing but the **VERY BEST** implements should be used, and which are specially constructed for each special sport. Do not purchase goods that are got up to sell, but get the kind that are made to win with. We have made athletics a life study and will not permit our salesmen to palm off goods for the purpose of making a sale. We will help you if you will permit us to.

The **BASKET BALL** used by the Intercollegiate Basket Ball Association is the ***Wright & Ditson No. 1,*** having been adopted as the standard Ball for all games. WRIGHT & DITSON are leaders in Basket Ball as well as in all kinds of Athletic Goods.

Base Ball Players: Wright & Ditson have got a new line of Gloves and Mitts this year made of choice imported black calf skin, which makes it soft and pliable and sticky, so that a ball will adhere to it better than any other leather.

Players who want to be at the top of the list ought to see these gloves.
